

Veskimo Affiliate Program

How To Join & Get Started Earning Commissions

1. Learn about the Veskimo Affiliate Program by visiting: <http://www.veskimo.com/affiliate-info.php>.
2. Click on the green "Affiliate Sign-up" button located toward the bottom of the page, or go directly to the sign-up page: <http://www.veskimo.com/affiliate.php>
3. You can then choose your own Affiliate ID (alphanumeric characters only, no spaces) and password (please write these down for future reference), and will be asked to enter your contact information (name, email and physical address). Be sure to check the **Inform me** box if you wish to be notified by email each time your affiliate link generates a sale. Then click the **Submit** button.
4. You are then officially signed up and logged in. Here you can see the totals for sales generated through your link (not commissions earned). On this page (which you will see again each time you log in) you have the opportunity to edit your affiliate information (change your password and contact info).
5. Now go to the Veskimo Affiliate Banner Page (<http://www.veskimo.com/affiliate-banner-ads.php>) and download the banner(s) of your choice by right-clicking and choose "Save Picture/Image As" to save to your hard drive. Product photos shown on this website may also be downloaded for promotional purposes by Affiliate Program participants. Please note: Some photos are not intended for use on other websites, therefore, if you try to download these, you will only get a "transparent.gif" during the download process. Please do not try to use a work-around to use these images. When inserted onto your website, the banners and/or images must be stored on your website's server and not linked to the Veskimo.com website.
6. Insert the banner and/or images onto your website and link them to the Veskimo home page (<http://www.veskimo.com>) or to a specific section or product page on the Veskimo website, if you prefer. A link to the Veskimo home page will take the form of: <http://www.veskimo.com/index.php?PARTNER=AffiliateID>, where AffiliateID is YOUR Affiliate ID (you chose this Affiliate ID when you signed-up.).
For example:
If your Affiliate ID is "susan", the link you will use is:
<http://www.veskimo.com/index.php?PARTNER=susan>.
If you wish to link to a specific product or section on the Veskimo website, please contact us by email at support@veskimo.com for assistance.
7. If a visitor to your website clicks on the Veskimo banner, a cookie is written to their computer. That cookie tells our affiliate-tracking program that this visitor came to us through your link on that day. If that visitor makes a purchase any time within the next 30 days, even if they come directly to our website (and not through your link) on a later date to make their purchase, you still earn your 10% commission.
